

THE OCCUPATION OF THE AMERICAN MIND

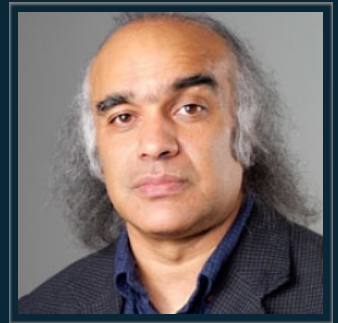

Israel's Public Relations War in the United States

NARRATED BY **ROGER WATERS**

FILM SCREENING AND DISCUSSION WITH EXECUTIVE PRODUCER SUT JHALLY

Last semester the Radical Student Union was denounced by students and faculty alike as a group of anti-Semitic faculty puppets who condoned terrorism. All for simply showing *The Occupation of the American Mind*, a film freely available in the university library. Let's try this again! This time we are fortunate to be joined by the executive producer of the film, Professor Sut Jhally of the University of Massachusetts, Amherst. We invite the entire CWRU community to join the RSU for a re-screening of the film to be followed by a Q&A with Professor Jhally. Come and see what all the controversy is about and decide for yourself!

This event is free and open to the public!

"HARROWING AND INCENDIARY! A VITAL AND UNMISSABLE FILM."

- Dave Zirin, *The Nation*

"I WISH EVERY AMERICAN WOULD WATCH THIS POWERFUL DOCUMENTARY."

- Gideon Levy, *Haaretz*
